CUM AS YOU ARE FOR OUR ANNIVERSARY!

At VELVET we're unpretentious even on the 21st anniversary of our premier September '77 issue. Sure, after 21 years we still only showcase the most beautiful women, but that doesn't make us highbrows. Despite the gorgeousness of our models, they still get nasty and dirty just for you.

For example, take those cock-crazy, cum-coaxing coquettes in

both "Blowjob Bet" and "Bar-Hop Hump" (featuring **Vicca**) or the clit 'n' cleavage-licking lesbos in "Gallery Grope" (starring **Jenteal**) and "Carla in Charge." Yes, they are all beautiful, but look how slutty they act when you're watching them. Speaking of porn stars, check out our special bonus 32-page video magazine, featuring Racquel's raunchiest picks. Finally, we've got luscious **Laura**, centerspread supermodel **Bo Saint**, and kinky **Carla**—three chicks guaranteed to make you drop all pretentions, along with your pants.

You don't have to be fancy with us, even at our 21st anniversary party. You can cum as you are.

HARD CORRESPONDENCE!

In Hard Correspondence readers reminisce about their kinkiest memories, horniest experiences, wildest obsessions and most private sexual fantasies. Write and tell us what gets you up and off. Remember, from now on, these are your pages. So type or carefully print your fantasies and experiences and send them to VELVET, 1608 N. Cahuenga Boulevard, #1322X, Hollywood, CA 90028.

WANG-WAGGIN' WINGDING!

I've been reading your magazine for years and it continues to get better all the time. Your girls are more precious to me than you could know. My wife is not sexy at all. We fuck about once a month and it is like fucking a hole in a pillow. I like to eat her cunt but she says it's dirty. I'd like for her to suck my cock but that's dirty too. I want to fuck her up the ass but she thinks that's totally sick.

Thank god I've got my VELVET girls to keep me happy. At time when I'm real hot I make her watch me as I take my pecker out of my pants and then jerk off to my magazine. But even VELVET can't keep me fully satisfied. That's why I have a girlfriend.

My girlfriend has a husband who is about the same as my wife. They should get together for a no-fuck time. Betty my girlfriend, Bill her husband, and my wife Jan have been friends for years.

My affair with Betty started on a hot summer day when I went over to their house to pick up a book. I rang the bell and heard Betty say she was in the back yard. When I got back there I could see Betty had on a very thin robe. Bill was at work. Betty asked me if I wanted a drink and I said yes. She had to walk to the other side of the yard and as she passed between me and the sun I got a perfect view. Her robe couldn't hide the outline of her sexy body. I had often thought of playing with her, but now I was sure I wanted to do it and go as far as she would let me. As she came back with the drink and got between me and the sun, I told her to stop. I then said, "Betty, open your legs a little wider. I like what I see."

I took a chance and asked Betty if she had panties on, and she said no because it was too hot. As she came over to give me my drink, I could still get a view and I put my hand between her knees. She didn't stop me as I continued on up to the wet hairy mound between her long legs.

She reached down and opened my pants, and as she took my prick out she said it was too hot to have that nice tool all covered up,

and besides, she wanted to see it, feel it and have it all inside of her. We had really surprised each other as to what we did and made it clear that we both wanted to go further.

As we went in the house we discussed our sex lives. Betty liked the same things I do, but she said she wasn't getting much but a little fucking, missionary-style. She told me that she liked lots of foreplay and the more she got the more she wanted to do it and the more different ways she would like to do it with me. I was horny, Betty was horny, and we played with each other's body for about twenty minutes.

Betty has auburn hair, nice round tits with perky nipples, and a well-trimmed V mound. I told her how I'd like to do it to her, all different positions, including up her asshole,

"She opened my pants, and as she took my prick out she said it was too hot to have it covered up. Besides, she wanted to feel it inside her!"

HARD CORRESPONDENCE!

and suck and lick each other until we came in each other's mouth. She said she'd never done these things before and would certainly like to give them a try with me.

I was still fingering the swollen lips of her hot pussy and she was playing with my cock and balls. All of a sudden Betty said, "Jack, please, put that cock all the way in me and fuck me good." I asked her if she would like me to do it doggie-style and she said, "Oooh, yes." She knelt down to give me easy access to her pussy. As I took her titties in my hands, she gave a little push of her

hips and the purple head of my cock entered her pussy lips. We humped slowly at first, and then harder and faster until my balls were slapping against her ass.

All of a sudden I felt her body stiffen and shake and she screamed. She told me she wanted me to fuck her every which way. I didn't have a rubber on, so I pulled my cock out of her and shot my load in my fist. I asked Betty if she'd lick the jism off my hand while I sucked her pussy. She said she'd never done anything like that, but she was hot to try it. She took my hand in both of hers and sucked my cum off of my fingers, one by one.

That was our first day together. We finished it off just by telling each other the things we wanted to do. I said I was sorry that it had taken so long for us to get together. When we made a date for the next day, I told her what I had planned. I wanted us to do a sixty-nine, and then I was going to stick my cock in her asshole and fuck her back there. Betty got excited just hearing me describe it, but insisted that I would have to wear a rubber to fuck her back there.

She told me she wanted to make me come in her mouth the next time. She wanted to suck me dry and feel my balls drain in her throat.

Since then Betty and I have kept our little secret together. Some days we'll go off in my car. It's seldom that we do a quick fuck in the car. Usually I'll fingerfuck her and she'll give me a blowjob. We're always hot for each other. She knows I like her to wear stockings, garter belt and dark lacy panties. We have fucked at her house, my house, in a motel, in the woods and in my car, which we call the Fuckmobile. We've done it every way and every position we can think of. I never get tired of looking up her skirt or watching her undress, and then stroking and kissing all over her nude body. We'll fondle each other in front of a big mirror while we're naked. Betty told me she's glad that I fuck her up the ass and let her lick mine. I guess this is love, but a different kind.

A HOT DATE WITH JACKIE

Thanks to an ex-boyfriend who subscribed to VELVET, I still get copies delivered to my apartment every month and I've come to like them so much that I plan on renewing the subscription myself. I am not a lesbian, but I do like to admire the pretty women and fashion my looks after them because they're obviously what men like. I also enjoy your handsome male models and admire their hard bodies and large penises.

My name is Jackie. I'm a pretty small girl, 24 years old (though I look younger), with auburn hair, medium breasts, long legs and a nice body overall. If there's a word that I get from men to describe me, it's *cute*. A lot of men have tried to get into my pants, but I'm choosy about

who I'll let get close to me.

I like to wear expensive lacy panties and bras in different colors. I spend more money on panties and bras and nylons than most girls do, whereas I'll settle for the jackets, blouses and skirts I find at my local used clothing store. I can make almost any outfit look good, but underthings are something special and should never be bought

THE LUSH LIFE OF LAURA

After growing up in poverty in the hills of West Virginia, Laura is looking for the good life and willing to do whatever or whoever it takes to live it. She loves to stay in penthouse apartments surrounded by nice things: plush carpets and sofas, beautiful drapes, and bounteous four-poster beds. And any man willing to help her live this lifestyle is welcome. As Laura willingly admits, she's ready to get down on her hands and knees for a generous gentleman and indulge his every fantasy, until she convinces him that it's in his best interests to indulge her every wish. She explains to each friend that her expensive sofas and beds aren't just for her, they're for both of them. Laura's living the lush life, the plush life, and plenty of men are waiting to give it to her.

Dear Racquel

Racquel's got a lifetime of experience with men and sex. Why not drop her a hot line at Dear Racquel, Velvet, 1608 N. Cahuenga, #1322, Hollywood, CA 90028.

A FULL SPROG!

Dear Racquel, rack, hell, your crates look full of silly cone. No more pasta noodles when you can match your almighty milk vendors with the real plastic stiffs to match. Nothing beats a heart pumping blue groper and a shitless bear cave to get your piston pumping. Nothing's worse than a mick for a piggy bank and a hole that ain't a date and a flesh bag turning into a bag of sillycone jelly. Beautiful presentation, except there's fuck all to retread a worn-out clapper. A full sprog of your genie tells much more than many words. Your gates to your dugit sprinkler and moon crates were meant for praise and your vaginal walls were meant for glory. Pay gain, for reign. Hard to know how your glory is until the prong is thrust in for the reaping. What about your groper, is that just for depositing clag? Looking forward to giving your bear and breasts a date.

—Satori V., Tumby Bay, Australia

Dear Satori,

What the hell are you talking about, mate?

STAR OVER BOSNIA!

Dear Racquel, I picked up my first copy of VELVET here in Tuzla, Bosnia. It was the October '97 issue and the pictures that caught my eyes the most were in your sexy column. You are the most beautiful woman I've seen. You are definitely a big star here in Bosnia.

—Cpl Daniel O., 468th Eng Det (FF), Operation Joint Guard

Dear Daniel,

Please tell the guys with you that I'm rootin' for 'em and wish the USO would fly me over there. I'd show you guys a thing or two.

HEAVY-DUTY FUCK!

Dear Racquel, I want to wet kiss you all over and lick your skin, starting with your neck and slowly working my way down to your tits to suck the nipples. Then I'd lick down one leg, working down to your toes, and then work my way back up your other leg to your wet-sweet pussy.

Stroking my cock feels so good. I spread your folds of your wet pussy and stick my tongue inside. I feel your tongue on my cock. What a feeling, Racquel. Your juices start to flow and you say you want it hard. When I come you make me shoot it in your mouth and down your throat. Then I eat your pussy until

you come. You have a very gorgeous body.
—David, Arlington Heights, IL

Dear David,
But would you bury your tongue all the way inside my ass. Seems like it's the least you could do if you expect me to swallow your cum.

PEN PAL

Dear Racquel, I wish to send these greetings your way in hopes of enlightening your heart and mind as much as possible. As for myself I'm doing what's best to be done, one day at a time.

Before I go any further, let me acknowledge to you that I am writing this scribe hoping to establish a common friendship with you through this letter. It's obvious that writing someone from the other side of the world whom I've never met or fucked can be somewhat difficult, and my chances to win your kindship might be at odds. But my sense of thinking is more on a positive level with faith and confidence in my ability to write to you a simple introduction. Etc., etc.
—Tyrone G., Columbus, GA

Dear Tyrone,
Pardon me for cutting in on your letter but it goes on like this for a long time. You don't have to impress me with fancy sentences.

ANOTHER FAN CLUB PLUG!

Dear Racquel, having seen a number of your films, I must state that I am an ardent fan. In the March 1996 issue of Playboy you are featured in the category of exotic dancers under another stage name, appearing in Vegas. Please list clubs where you appear, as I am interested in catching your performance. I am also curious to know if you do special featured appearances at clubs around the country. If so, please consider Desperado's in Lafayette, Louisiana, and the Gold Club in Baton Rouge and New Orleans, at which you can be sure I will attend.
—Peter S., Lafayette, LA

Dear Peter,
Upcoming dates are included in my fan club newsletter. Write me at 3920 W. Charleston Blvd., Ste. 6-326, Las Vegas, NV 89012.

POOR ME!

Dear Racquel, I'm a beautiful man, good-looking and fun-loving, with a hot body. But I feel I'm wasting away. I have no one to share with. I've only had one short-term affair in my 34 years, and I never got pussy from a very beautiful woman. This makes me feel worthless, hopeless and useless. I can't seem to meet any women because I'm sort of shy (even though I'm really wild), and I never even get any mercy fucks from beautiful women.

It's been three years since I've had sex. I know I need to give and receive soothing, sensual, imaginative, shared, fantasy-driven sexual experiences for basic health and well-being, but I don't get to give or receive anything and it's affecting my whole life. I can't go on this way.

Without sex I'm inadequate, ashamed and over-anxious when I need to feel valued, assured and involved. I'd rather not live without pussy.
—Kent S., Walnut Creek, CA

Dear Kent,
Sounds like you've got an old-fashioned case of self-pity. No woman finds self-pity attractive, unless she's really fucked up herself. Sounds like you're not trying. Since you don't ask any questions, I'm not sure what you expect me to do about it.

FAN LETTER!

Dear Racquel, I'm a deckhand on a towboat who spends thirty to forty days away from home at a time. Entertainment is pretty sparse, so I spend a good

deal of spare time reading, writing letters to my wife, and flipping through men's magazines. We tend to have a lot of back issues around because nobody wants to throw away a magazine full of naked women until it is falling apart or stuck together (yuk).

Any time I pick up a copy of VELVET I turn to your column first. It's not just because I find you physically attractive, though certainly I do. In fact, you're absolutely stunning, with a great face and eyes that a man could get lost in forever. That's what caught my attention the first time I saw your picture. But what I like best about *Dear Racquel* is the way you reply to your readers' letters.

You have a combination of intelligence, sensitivity, wit and sarcasm that makes you completely charming. That's rare these days. You come across as a nice person with a sense of humor instead of as a tramp or a complete bitch, like so many other porn actresses who write for men's magazines. They seem like they're trying to turn guys on or else they sound like they hate men altogether.

Even when you answer some poor geek who can't separate porn movies from reality and believes you can't wait to service him, you don't get malicious. You take a jab and let it go. You don't point out that you could have any man you want, so why would you want some weirdo who spanks the monkey so much that the ASPCA is after him?

I guess these guys are the root of the questions I have for you. Don't some letters you get give you the creeps? Do you worry that some delusional psychopath might start stalking you? Do you think it's weird that guys like me read men's mags for entertainment and enjoy looking at photos of beautiful naked women?

I hope you're as beautiful on the inside as you are on the outside.

—Robbin N., Cape Girardeau, MO

Dear Robbin,

Thanks for a nicely thought-out letter. I hope I don't ever sound like a bitch, but sometimes I do get a little testy, I'll admit. But rarely do I ever get the creeps. They're out there, of course, but my fans are generally good-hearted and pleasant guys (and girls). So far, stalking has not been a problem for me.

LIMP LIMERICKS!

Dear Racquel, in my spare time I compose raunchy rhymes, limericks and stories in poetry form. I've thought of doing it full time to boost my income but don't have any publishing contacts. Do you have any tips for me?

Here's one for you:
Her name is Racquel
She's hotter than hell
Just one hand stroke
Will make your dick smoke
And she'll watch your balls start to swell.
Keep looking pretty.

—Vince L., Rensselaer, NY

Dear Vince,

Don't give up your day job. To my knowledge there aren't many poets making money out there. If I'm not mistaken, isn't there a book that comes out every year called Writers Market? Maybe there's something in there for poets like yourself. Here's a poem I just tapped out:

There was a young cocksman named Vince
Whose cumshots at walls would make dents
But when he tickled his scrotum
The recoil throwed him
And nobody's seen ol' Vince since.

LAST TANGO

Starring Alexandra Silk, Asia Carrera, Erika, Mia Ciccero, Texxas Lee, et al. Directed by Thomas Paine. Available from Adam & Eve.

In what amounts to a career-best performance both in and out of bed, Alexandra Silk steals the show as a directionless loner who adds spice to her otherwise meaningless existence by fucking a succession of bizarre losers.

Blatantly cribbing from the infamous *Last Tango in Paris*, this tangy and tawdry tale delivers enough steamy hump action to make it more than worth the pain of perusal. Sexy Alexandra gives a blowjob to John Decker, who writhes in erotic nirvana as she brings her silky mouth to the base of his immense bone with nary a tear in her eye. Decker repays the favor by deep-plowing her pussy with a ferocious abandon, capped off by a frothy orgasm.

After some agonizing stretches of non-sexual dialogue disguised as drama, Silk tosses some freshly fucked leftovers to Michael J. Cox. This sequence is a scorcher, as the horny babe wraps her sphincter muscle around his hose for a sleazy anal pumping that leaves her heaving butt cheeks laced with spunk. Though Alex may not be the most beautiful woman currently catching pricks in the jizz trenches, the sight of her tiny fanny getting cornholed with titanic lengths of dick is a near religious experience. When the subject is ass-packing (as it often is these days), Silk has few peers.

As the plot and the jism thicken, Alexandra steps out of the spotlight long enough to make room for her more winsome costars, including gorgeous Erika, an awesome tit-heavy blonde who puts the moves on the omnipresent John Decker. Kissing her way up his thighs and slurping his aching meat to wet fullness, she kicks back to finger her cunt wide open and wrap its fleshy walls tightly around his cock and ride it to a wild finish.

Several more scenes of oppressive, log-free dialogue follow, mercifully

broken up by a languid lesbian convergence in which the insatiable Silk rams her tongue and finger deep into the pussy of alluring Asia Carrera. Though overlong by a country mile, this sticky amalgam of tweaked tit and munched clit has enough close-ups of cunt to reward the patient stroker.

The action quickly takes a turn for the incendiary, thanks to the introduction of Mia Ciccero, a stately, vaguely European-looking bundle of sensual

charisma who happily pulls together Alexandra, Erika, Peter North and Alex Sanders for a gangbang finale, twenty minutes of white-hot ass-pumping and tit-screwing filthy enough to make you forgive the somber pacing of the earlier couplings.

While so-called couples movies mostly engender derisive chortling, the potent combination of Mia Ciccero and Alexandra Silk goes a long way in making this sullen show endurable. If your lady is ready to share something with you a little hotter than *Red Shoe Diaries*, you'll want to rent *Last Tango*.

FIXATION

Starring: Vixxxen, Johnni Black, Chloe, Heaven Leigh, Shelby Myne, Toni James, et al. Directed by Jim Enright. Available from Wicked Pictures.

Vixxxen essays the role of a disturbed young lass whose innermost sexual fantasies, like that of VELVET's editor with his dick in hand, have a life of their own.

You must remember Vixxxen, the flaxen-haired, tiny-titted bundle of depravity who took porn by storm four years ago when she teamed up with grindmeister grandpa Randy West for what seemed like an endless stream of pro-am bangers. We're happy to report that Vixxxen today is not only less willowy than the old model, but she has opted for judicious cosmetic

enhancement that turned her small mams into well-rounded hooters that make the perfect mouthful.

The bad news is that the newly improved Vixxxen has decided that she's either too good or too dykey to catch cock for cash anymore, and so she restricts her screen time to by-the-numbers carpet munching with Johnni Black and Toni James.

The James session is actually the far hotter of the two, as gorgeous Toni licks her way up Vixxxen's creamy thighs, stopping only to finger her cunt in extreme close-up. Engorged with lust, Vixxxen's clit fills half the screen as James slurps her to climax.

On the other hand, Vixxxen's

unbearably long bout with Johnni Black is tepid sapphic tomfoolery saved only by Johnni's exquisite pussy-eating talents. This bodacious, hell-bent-for-leather hottie knows how to cut a rug—and munch it too.

She's no slouch around a cock, either, as she proves in a lewd sequence near the movie's end that has her tonguing Vince Voyeur's balls while she simultaneously jerks his load onto her face.

Diminutive dick-inhaler Chloe, a cute brunette, thrills geeky "stud" Jonathan Morgan in mid-film by pushing her tongue up his asshole and giving him a ball-enveloping blowjob. She subsequently takes him deep into her pint-sized bungfunnel for seventeen action-packed minutes of sweaty fanny-flapping that leaves her heaving cheeks laced in spunk.

Finally, a well-lensed threeway with Shelby Myne, Toni James and Kyle Stone wraps things up nicely, as the ladies throw down a time-share blowjob before taking turns riding his formidable schlong.

Although director Jim Enright lays on the MTV-ish style a bit heavy—sometimes the bimbos look like they're getting fuck in the middle of an Oasis video—he keeps the screen filled with relentless close-ups of pulsating pussy flesh. If little Vixxxen weren't so bitchy about getting boned, *Fixation* could have been a contender instead of a cock-tease.

THE WRONG SNATCH

Starring Nikita, Juli Ashton, Monti, Stephanie Swift, Hayley Lynn, et al. Directed by Veronica Hart. Available from VCA Pictures.

Leggy Russian siren Nikita dodges the forces of evil at every turn in this sexy but very confusing spy spoof.

One of the less fortunate aspects of having gorgeous former commies like Nikita merging with the American porn scene is that lazy script writers can't resist writing lame 007 rip-offs that exploit their beautiful accents and Slavic ethnicity. The latest example of this horrifying trend is *The Wrong Snatch*, a brain-dead caper directed by the normally-reliable Veronica Hart. You know you're in trouble when an early scene of Stephanie Swift's asshole getting stuffed by big-dicked Ian Daniels unspools in such a cold and detached fashion that Swift appears to be sleeping.

Thankfully, the film improves when Nikita steps before the camera to shed her inhibitions for Nick East and Tony Tedeschi in a lengthy triad with plenty of shots of her pussy getting stuffed with capitalist bones.

Chubby blonde choad-guzzler Hayley Lynn climbs atop studly Holland's hose in the next sequence, takes it deep into her tight butt and rides it to a gooey finish.

A decent lesbian liaison is the next order of business, as VCA contract cooze Juli Ashton cuts the rug with Nikita in an Olympian carpet munch festooned with several ultra-vibrant, twat-tweaking close-ups.

Ashton soon hits the road, however, but not without seducing the amusingly-monikered Johnny Pacwood in the back of his speeding limo. This silly scene is actually one of the video's hottest, as these two sex freaks 69 each other in wicked close-up before getting into a frenzied fuck whose culminating wet-shot leaves Ashton on the business-end of a bulls-eye facial jizzing.

Hart wisely saves the best for last, bringing together Stephanie, Nikita, Juli, Johnny and Ian for a good old-fashioned orgy of ass-packing, tit-fucking and multi-partner blow-jobs. By the time these fleshy swingers are sexually spent, you're likely to forgive the previous 90 minutes of hare-brained hardcore action. Still, we've come to expect better things from Veronica Hart. *The Wrong Snatch* is a masturbatory misfire.

GALLERY GROPE

It's a lazy, rainy afternoon in a quiet wing of the museum where an exhibit of erotic art is currently on display. The bluenoses are avoiding this part of the museum, and the rain has kept most people away, so Jenteal, taking the day off from her busy schedule as a porn actress, comes to appreciate the paintings. She finds it amazing that even though she spends her workdays sucking countless cocks and being fucked every which way, nothing lately has truly turned her on the way these erotic paintings do. So much so that as she lingers in front of one especially sensuous work, she can't help but begin to caress herself. Suddenly the museum guard, Lydia, steps out of the shadows. But since there's nobody else around, she sees no need to stop the arduous art lover. In fact, Lydia is as turned on by Jenteal as Jenteal is aroused by the art. What happens next is something that any self-respecting patron of the arts would pay to see. This is real art appreciation.

FEEDBACK

TOO TENDER TO TOUCH

Dear VELVET, in your photo layout called "Head of the Class" (July), Doreen looks too young and tender and innocent and preppy to be as slutty as you describe her. Isn't it true that you guys just say a lot of shit to make these girls seem nastier than they really are? I can't imagine Doreen saying any of that stuff about how much she'd love to give blowjobs to a couple of guys in her class.

—Ray R., Akron, OH

Dear Ray,

If Doreen is so innocent, why do you think she's posing nude and spreading her pussy for VELVET magazine? You're letting your fantasies and expectations get the better of you. Like any grownup, Doreen has her own life, including a rich fantasy life and a vivid sexual life. She's not going to let herself be restricted to a straitjacket that many guys would like to put her in. Believe us when we tell you that

many of these girls who seem strait-laced on the outside are volcanoes on the inside, with perverted fantasies that might even make you blush, Ray.

MONICA'S TWIN?

Dear VELVET, when I opened your fine magazine and turned to the pages where lovely Taylor (July) dwelled, I was

knocked for a loop. In case you didn't notice, Taylor looks like she could be Monica Lewinsky's twin sister. In fact, she looks so much like her (probably better, though) that when I read in the papers or heard on Jay Leno about what Monica liked to do with our Prez, I would turn to Taylor and pretend she was Monica and stroke my big eight-inch cock, fantasizing that I was a big government official. I'm surprised that you didn't call Taylor Monica instead and make a big noise about her on your cover.

—Ian O., Ottawa, Ontario

Dear Ian,

So are we. We surprise ourselves all the time around here.

HIND-LICK MANEUVER

Dear VELVET, it was interesting to read your article on analingus and its effect on women (July: "Tongue in Cheek"). This was something that I tumbled onto a couple of years ago. I happened to be licking this girl's pussy and barely getting a rise out of her. But since I had her legs pushed back over her head to give me maximum access, her cute little puckered asshole was only an inch away, almost winking at me. Before that moment it had never even dawned on me to lick an asshole, but I was feeling experimental or something. Since my tongue wasn't exciting her pussy, I pushed her legs back a little more, which rocked her ass higher in the air. The moment I plunged my tongue inside, she let out a huge gasp. And she didn't let up. Within thirty seconds I had her screaming.

Since that time I have learned that once you give a girl's asshole a good tongue reaming, you've got her in your pocket. And I don't have any problem getting lots of pussy (and ass) because these girls blab to their girlfriends about what a great ass-licking I give them, and suddenly I've got the girlfriends calling me up. Your article is right on target. Those readers who dismiss ass licking do so at their own risk.

—Dan A., Hamilton, NY

Dear Dan,

It's clear that you're a guy who looks on the sunny side.

RAYLENE & MEAN!

Dear VELVET, it was great seeing my favorite new actress Raylene ("Raylene's Plaything") spotlighted in your July issue. I'd give anything to be her lesbian plaything, Solidad. Raylene can sit on my face any time she wants. My boyfriend Ted feels the same way. If Raylene stopped by our place, we would both eat her pussy till she begged us to stop. It was also nice seeing her in your movie feature about *Cafe Flesh II* and in

your movie review of *Dirty Weekend*, with the photo of her on page 43 getting ready to suck Alec Metro's large, beautiful cock.

Ted says Raylene's going to be the next big thing in X-rated movies. I say no, Raylene's *already* the next big thing.

—Courtney C., Bradenton, FL

Dear Courtney,

It's fans like you and Ted who make porno sluts into X-rated stars. Sounds like Raylene's building up a good fan club.

PASS THE SALAMI!

Dear VELVET, your "Meat Market" (July) pictorial would have been even classier if the stockboy's cock had had a bar code on it when the checkout girl got hold of it. You could have helped him take care of the second girl by letting him fuck her with a cucumber.

—Willie M., Danville, IN

Dear Willie,

Maybe we do need a perverted fuck like you around here to spice things up.

GAUNTLET OF GASH!

Dear VELVET, I was very intrigued by your big spread on the video called *The World's Luckiest Man* (July) where the guy fucks 101 girls, so I went out and rented it. I have to say that your review and the photos paint a much sexier picture than the actual event. As Jasmine St. Claire proved in her gangbang movies, quantity is no substitute for quality. And though I tried to get an accurate count of all the girls he poked and stroked, I'm not convinced he reached 101. Besides, a lot of it was just one or two pokes or strokes and then he just moved on to the next disembodied pussy or mouth. From now on I think I'll avoid these overkill movies. But please don't stop reporting on them.

—Manuel J., Ensenada Beach, Mexico

Dear Manuel,

As long as they keep letting us watch, we'll keep reporting on these massive gangbangs.

FLESH IS NOT WEAK!

Dear VELVET, thanks for your extensive coverage of the new sequel to Rinse Dream's great *Cafe Flesh* ("*Return to Cafe Flesh*"). My only criticism is that even though you talked about the original 1982 masterpiece in detail and gave me some valuable insights, you didn't show any scenes from it. I was only four when *Cafe Flesh* came out, and I didn't stumble onto it until last year when a friend played it on his VCR. I was blown away. I wanted to learn more about this movie, but there was nowhere to look. I can't understand why *Cafe Flesh* isn't more well known, because it's easily the greatest and most profound X-rated film of all time. Do any stills from the original still exist? And do you really believe that this sequel comes anywhere even close to the original?

—Richard B., Baton Rouge, LA

Dear Richard,

We still have a couple of stills from the 1982 film in our files. And no, we don't believe the sequel comes anywhere close to the original.

LIKE A VIRGIN!

Dear VELVET, you say that your girl Donna (July) looks almost exactly like Madonna, but I don't really see that much resemblance. If you want to know the

truth, Donna is a lot sexier than that old broad anyway. But if stroking Donna's ego by telling her she looks like Madonna would help me get into her pants, hey, I'll tell her she looks more like Madonna than Madonna does. (Besides, did you see Madonna on the Academy Awards? She's turned into a fucking skank!) If it came down to a choice between eating Donna's pussy and eating Madonna's pussy, your young model would win hands (and knees) down, unless of course Madonna was looking for a stud to father her next child.

—Mark T., Woodside, NY

Dear Mark,

Sounds like you're a material boy toy.

SUCK FREAK!

Dear VELVET, the girl in the maid's outfit (July: "Pampered Prick") really looks like she loves to suck. I know that you have said before that what goes on between shots at your photo sessions are hotter than anything you can actually run in your magazine. Well, with this model it shows. Is there any way you can someday run a special magazine showing these between-shots photos?

—Tim K., Murray, KY

Dear Tim,

We often run outtakes on our VELVET Webpage that we're not allowed to show you on the newsstand. Check us out at www.velvetmag.com and see how you can arrange to look behind the scenes.

SOPHIA! SOPHIA!

Dear VELVET, in your July magazine I am obsessed with the beautiful brunette in the photo layout called "Pretty in Pink." Is she Tommi or Sophia? I would guess Sophia because it's an Italian name and this girl could easily be Italian. Also, are you planning to run her again real soon? I'd like to see her by herself and then in another layout with a guy with lots of close-ups of her sucking his cock.

—Cecil J., Lee's Summit, MO

Dear Cecil,

You've got a sharp eye. Sophia is certainly a sexy and lovely brunette. Watch for her in upcoming issues.

HARD CORRESPONDENCE!

Continued from page 8

used or cheaply. The way I see it, I present my outer self to the world but I expose my inner self to a very precious few. If a man gets into my panties, he's going to be treated very special.

Some guys have called me a cock-teaser, but I'm not an easy lay. I want to know a man first and progress slowly by necking, feeling and kissing on the first few dates. I want him to want me. When I'm getting in and out of a car on a date, I want him to open the door for me, because

that's when I can tease him a little and show him I'm worth it. As I'm getting out of a car especially, I let my skirt go high enough to give him a good view up my thighs to see the white flesh above my nylons. (By the way, I learned the value of wearing nylons from VELVET's models.)

If our dating gets far enough, I'll let him French kiss me and even open my blouse a little. If I really like him by then, I'll even let him unhook my bra and suck on my nipples a little. And I'll let my hand brush against the crotch of his pants to see if he's hard there. He almost always is. That's really the fun part for me, acting like touching my hand against his bulge is an accident. I know it drives guys wild. A few times I've even made guys come in their pants. I know it because I've brushed my hand down there and felt the stickiness coming through.

If things are getting tight between us, usually after a couple of weeks, I'll let him take his penis out, put it in my hand and I'll stroke him some. I enjoy feeling a man's hard penis in my hand. While I'm doing this I'll let him put his hand up under my skirt, but I don't let him go too far. He can rub my cunt through my panties, but that's all. I don't want to get too excited at this point because then I don't know what I might do. At this point in our relationship I prefer to stay in control of the situation. It doesn't take long to masturbate him to orgasm, then he calms down again. I always carry Kleenexes with me to keep everything tidy.

All of this is going on in his car or a theater somewhere. I never bring him back to my place or his place until we've established a relationship, and that doesn't happen for a few weeks. I figure if he sticks around long enough, I can depend on him more.

My next stage is to let him finger-fuck me, usually without taking off my panties all the way. I like the feeling of knowing that my panties are still down there. About this time, if he can get me going, I'll let him lick me down there a little, but not too much. And maybe around this time in our relationship, while I'm masturbating him, I'll lean down and take him into my mouth a little bit, but I won't really suck him and certainly won't let him come in my mouth. I only do that for a very special lover.

Finally, after maybe six weeks, if everything's been going great, I'm ready to go all the way. At that point, if we're going steady, I won't hold anything back. I'll do whatever he wants and try to satisfy his desires. Except for one thing. I won't let him do it back there. I'm still a virgin back there. I don't even like it when somebody reaches back there and puts in a finger. That part is sacred to me and doing something back there is perverted. Besides, by this time I'm keeping him happy in other ways, so he

shouldn't have to want to go there. My hands, my mouth and my pussy are available to him anytime he wants.

Well, that's my story. I thought I'd write because I never really get to read how other people go through the dating process. In all your stories everybody seems to do it right off the bat, but I wonder how often that really happens in real life. I can't

BO SAINT

One of the curses of looking like a supermodel is that most men are afraid of you. They treat you like a porcelain doll, as if they're frightened that you'll suddenly reject them. They act too nice around you. But Bo prefers men who are cavalier with her, willing to let the chips fall where they may. She doesn't want nice men. She wants rowdy, lusty fun-loving guys who treat her like a good ol' boy…until it's time to be treated like a bad ol' girl. Bo doesn't mind if a guy just wants a blowjob; she's happy to oblige. If he wants to flip her over and slide his cock up her ass and fuck her like a wild animal, that's great too. Don't let Bo's beauty intimidate you. She wants to be treated like a common slut.

CATCH ME IF YOU CAN!

Some Girls Love To Fuck 'N' Suck In Public Places, Daring You To Watch Them!

Shala is an attractive, 28-year-old Los Angeles attorney who leads a responsible middle-class life, except for one thing: When she has sex, she dares you to watch her.

When she describes herself as a "middle-of-the-road" person, Shala practically talking about her sex life, because her fantasy is literally to "do it in the middle of the road."

She has had anal sex in a parked car on a busy downtown street in broad daylight!

She has sucked a cock in a hospital room with the door open to a busy corrider!

She has fucked on strangers' lawns at all hours!

BY E. DAWSON

Shala is one of many often well-educated and otherwise reasonable women who can't fully enjoy sex unless there's an attendant danger of being caught in the act, either by a stranger (especially a cop) or a close friend or family member.

"I need that big thrill attached to it," she says.

It's called public sexual exhibitionism, and like many other sexual disorders, such as nymphomania, it can rage uncontrollably in otherwise modest individuals to the point of obsession. It's bad enough when the exhibitionist is a man, especially a male celebrity—as in the cases of the comic Pee Wee Herman and, more recently, former pop singing star George Michael.

"It's public sexual exhibition. Like other sexual disorders, such as nymphomania, it can be uncontrollable to the point of obsession!"

But it's much worse for women. Being compromised by exhibitionist behavior can ruin a woman's reputation and destroy her professionally. But that is precisely its thrill.

"I feel like I'm the Evel Knievel of sex," Shala says, referring to the former daredevil motorcyclist.

Her obsession takes bizarre forms. The pretty blonde often masturbates with a dildo in her car, but one time she parked in an alley in a rough neighborhood, got out of her car, leaned against the hood, pulled up her skirt and began fucking herself in plain daylight. "I was the only white woman within at least a mile radius, and it was gang territory," Shala says now, visibly relieved that nothing terrible happened to her. "Yet there I was, diddling myself in an alleyway, surrounded by heaps of old mattresses and trash."

She shakes her head. "I've been going to a shrink for a year. But so far it hasn't helped."

Shala made news not too long ago at a high-level film industry party at a Malibu beach house when she propositioned a well-known movie executive and then got down on her

"I was the only white woman within a mile, and it was gang territory. I was diddling myself in an alley, surrounded by heaps of trash!"

knees and sucked his cock on a patio. Half a dozen people saw it, and the host, a top Hollywood agent, ordered both Shala and the executive to leave. His name was splattered all over the newspapers and on talk radio shows, while Shala, mercifully, went unnamed. "It's hurt me professionally, though," she says. "It was a stupid thing to do. But I enjoyed doing it at the time. I got a bigger thrill out of it than [the executive] did."

Patricia, a 24-year-old sales representative for a Santa Monica, California, software firm, is likewise a prisoner of her own sexual thrill-seeking. "I enjoy having sex in wooded areas, which wouldn't be so bad, I suppose, but I don't pick just any woods. I love public parks. When I'm in other cities or towns I'll find a little park and pleasure myself behind a bush or a tree," says the attractive brunette. She has also picked up young men and fellated them. "I can't explain it, but I get such a rush when I'm doing something like that. I mean, I know it's very dangerous in a lot of ways, but I can't help it. Regular sex doesn't do anything for me. I like it with strangers mostly, and out in public somewhere where somebody might see me. It's crazy, I know, but what can I say?"

When she's down on her knees sucking some young stranger's cock, Patricia manages to tilt her head in order to see what's happening behind him. "I always keep my eyes open, looking to see if anybody's watching," she says. "I'm always scared that a cop might come along and catch me. But the thought of it is just so, I don't know, *irresistible*." She claims that when she returns to her motel room alone, she'll lie on her bed and masturbate as she relives the experience in her

"This one lady comes over and yells that we oughta be ashamed of ourselves. I told her to go fuck herself, it might make her less uptight!"

mind. "I'm a dirty girl," she laughs. "If sex isn't dirty, it's no fun for me."

Belinda, a 20-year-old coed at Los Angeles City College, claims that she would never even think of having indiscriminate sex with strangers, but she does love to fuck her boyfriends in public, daring somebody to watch or, better yet, say something about it. "Me and one of my old boyfriends, we were fucking up in Griffith Park under a picnic table, giving the pervos a big show. But this one lady comes over and starts yelling that we oughta be ashamed of ourselves. I told her to go fuck herself, it might make her less uptight."

Less than two months ago, she was riding with another boyfriend in Angeles Crest State Park on his motorcycle when the urge struck her to have sex. "We just pulled off the road," Belinda says, "and did it right there. But every time we heard a car coming, my boyfriend would lose his hard-on. I'd have to get down and suck it real hard to get him back up again. But then another car would come along and honk as it went by,

"The security guard lead me to an area about a hundred yards away. I sucked his cock and everything was okay after that!"

and that would just make him limp as a noodle."

They almost got caught by the law. "A state trooper pulls up, but luckily we were already finished and all zipped up and everything. This guy asks us what we're doing, and we go, 'Nothing, officer, just looking at the flowers and stuff.' He goes, 'I just got a call that two young people were having sex at the side of the road,' and we go, 'That must be that other couple we saw about twenty minutes ago.'"

Shala, the attorney, says that besides giving head, she enjoys being fucked from behind while she's standing. "It's less vulnerable than if you're having sex down on the ground. You get the thrill of the danger of being caught, but you've got a better chance of covering up. Like, I can bend over something, like a rail, or lean against a tree, and my lover just presses up against me and pulls up my skirt and gets inside me. And if things get too dangerous, all I have to do is step away and drop my skirt back down."

But despite her precautions, Shala confesses that she was caught by a security guard in a grassy area of an industrial park one afternoon. "I made the mistake of being down on my hands and knees, doing this guy doggie style, and suddenly this guard comes running over and the guy I'm with suddenly pulls his pants up to his knees and stumbles off, trying to run and get his pants all the way up at the same time. By the time I tried to get away, this big guard nearly tackles me. He starts taking me to his office,

"The security guard tackles me. He starts taking me to his office, but I tell him, 'let me give you a blowjob and then let me go!'"

but I tell him, 'Why don't you just let me give you a blowjob and then let me go.' Well, he thought about that for a minute, but I kept insisting. What made up his mind was when he found out that I'm a lawyer. I guess the idea of getting head from a female attorney appealed to him. So he leads me to this secluded area about a hundred yards away and tells me that this is where I should've been fucking that guy, not out in plain sight. So anyway, I sucked his cock and everything was okay after that."

Shala still hasn't had sex with an actual policeman, but she's looking forward to it. "But I'd have to be careful about propositioning any cop who catches me," she laughs. "I wouldn't want a blowjob to sound like a bribe!"

What is it that makes these women risk everything for a quick sexual fling? Shala believes it's a mixture of reasons. "You're flaunting

social conventions, breaking the rules. You're daring society to catch you breaking some its major taboos and then to do something about it. You're risking public shame, even professional censure. I mean, being as I'm an officer of the court, getting caught having sex with a stranger in a public place and having my name in the newspaper could ruin me. But without that edge, that fear of getting caught, sex by itself doesn't give me the same adrenaline rush. It's just sex, no big deal."

"After you give head in a public park with people around who might see you, sex behind closed doors is as exciting as baking bread!"

Patricia agrees. "It's like bungee jumping. After you've bungeed off a 300-foot bridge, diving off a 10-foot diving board doesn't do much for you. And after you've given some guy head in a public park, with lots of people all around who might see you, well, sex behind closed doors is just plain old sex. It's about as exciting as baking bread."■

HARD CORRESPONDENCE!

imagine just meeting a guy and then going to bed with him right afterward. I have to work up to it over several weeks. I have to learn to trust him. I hope I never change in that respect.

Thanks for listening to me.

MEXICAN SPITFIRE!

I work for an import/export company in Los Angeles. I'm 25, fairly good looking, and though I've only got a high school diploma I have a good job at a desk in my own little office.

I would usually be working around seven in the evening when the cleaning lady came in. I should say cleaning girl because she was only 19, I found out later. She came from Mexico and her English was still not too good. But Estrella, that's her name, Estrella is a pretty girl with dark hair and dark eyes and a slim body. And she was shy. For months she would come in and make a gesture to ask if I wanted my office cleaned. I'd say yes and go to the bathroom or get a drink of water to give her several minutes to clean my desk and empty my trash. We barely spoke. Estrella was very shy, and when I smiled at her and made an encouraging comment, she would get flustered and lower her eyes.

In time I began to look forward to Estrella's visits and I really began to admire her. I could tell she was feeling something too. Whenever she came into the cramped quarters of my office, she was very conscious of me. When we brushed against each other, sparks were almost flying. In fact, there was electricity between us, though I'm not sure how much of that was us and how much was the carpet.

"Normally I'd be moaning as my cock was sucked, but this time my sweetheart did the moaning!"

After several months of this, I got up and began to leave my office, and on my way out I had to squeeze by her. When she glanced up at me, I couldn't help myself. I bent down and kissed her on the lips. It was like I'd set off a time bomb. This quiet and very decent little traditional Mexican Catholic girl became a Latin spitfire. What started as a short kiss turned out to be a soul kiss.

When we parted, Estrella's breathing was ragged like she'd just run the marathon. "Oh, beeby," she said, "You know I love you."

I was shocked. The only words that came out of my mouth was, "Oh yeah?"

"Yes," Estrella said. "I love you, beeby."

When I kissed her again, I could feel the heat radiating off her body.

"Prove it," I whispered.

"Anything, beeby," she gasped. Next thing I know, Estrella is sliding down my body, on her knees, with her face nuzzled into the crotch of my trousers.

"I'll suck it if you want," she begged. "I'll do it good."

I couldn't believe that this beautiful girl was down on her knees for me.

"Can I come in your mouth?" I said.

"If you want, yes," she said, her hands fumbling with my pants. I thought of stopping her, because somebody else could come into the office and walk by and see us because my office doesn't have a door and the overhead fluorescent lights are as bright as day. But the anticipation of having Estrella's lips around my cock was too great.

When she got it out of my pants, she took it into her mouth and started sucking and licking it very lovingly. Normally I'd be the one moaning while my cock was being sucked, but this time Estrella was doing all the moaning. Finally I couldn't hold out. True to her word, she let me come in her mouth without complaint. When I was finished, she spit my cum into one of her rags.

She looked up at me with love shining in her eyes. "Was I good for you?"

I knelt down and kissed her beautiful dark eyes and her nose and her lips. "It was great, honey."

After we cuddled for a few minutes, she went back to work and I went home, too worn out to concentrate. I stayed at the office the next night and waited for her. In fact, I spent the whole day dying to see her again. This time we kissed as soon as she stepped into the office and I called her my beautiful little Mexican sweetheart.

That was a year ago, and Estrella is still my sweetheart. She's also my wife.

—Paul C., Los Angeles, CA

CARLA IN CHARGE!

There are so many women who secretly fantasize about having lesbian love affairs, but they never act on these impulses unless a beautiful and sensuous woman comes along and convinces them that their clandestine longings are safe with her. That's why Carla is such a take-charge lady. She knows that these women want to be led into their fantasies, so that they won't feel guilty later on, when they go home to their husbands and boyfriends. Sure, once Carla's taken them

into their own fantasy worlds and convinced them to suck her pussy until she squirts her juice all over their faces, and then after she has made them scream through several orgasms, they clean themselves up and return to their safe little worlds. They may even hate themselves a little in the morning. But Carla knows that they'll never be the same, because from now on they'll be haunted by those memories of Carla taking them to the mountaintop.

KINKY KARA

Kara will tell you upfront that she's not really interested in plain old sex and romance. Don't expect her to be your sex toy or love doll, and don't hold your breath waiting for her to coo and cuddle with you. Kara is a cold bitch, if you want to know the truth. She gets her kicks being worshipped by a man, and mostly she prefers not to be touched, except by the tongues of a lucky few. She wants you to suck her toes and kiss her feet, then maybe to lick your way up her stockinged leg. If she's feeling generous, maybe she'll even let you suck her pussy. To show her pleasure, she'll perhaps clench her thighs tight around your face until she squeezes every bit of her pussy juice into your mouth. But after she's pleasured herself with you, you're on your own. She may let you masturbate while she watches, if you're lucky. Otherwise, she'll just show you the door. But don't ever fall in love with Kara. Unless you want to worship her from afar.

NEXT MONTH IN VELVET

GROIN GROPERS!

Several brazen chicks confess how much a man loves it when a girl reaches in his pants to grab a hard handful!

SHOCKING TRUTH!

VELVET's intrepid reporter ventures onto the set of Greg Dark's latest movie about cock-crazed coeds getting crammed—and lives (barely) to tell about it.

VAPOR VIXENS!

These two steamy sluts don't have the foggiest idea why they're so hot for each other, but their moist pussies have minds of their own.

ROCCO-ROOTER!

Porn stud Rocco Siffredi goes roto-rutting when a girl has pipedreams about swallowing his plumbing. Why do so many babes love Rocco's schlong?

BEAVERLICIOUS!

Luscious VELVET models, including juicy Julia and jaunty Jacqueline, open their tasty twats just for you. ***So pick'em up in our horny October issue now!***
